Under the treaty, the United States bring the Spanish troops home from the Philippines, as Spain is too

THE War Department has stopped Hobson's work on the Colon by sending him to Manila, to work on the sunker secols in Manila harbor.

Gov. BURNELL pardoned fifteen peni-tentiary convicts, Tuesday. The Governor evidently remembers one text, and acts upon it: shall be made fat."

walking is good and there will be no police, who permitted the destruction of your money.

grass to speak of, so Coxey ought to start ish club.

Ladies' D or the Capital, again.

will be remembered gave \$100,000 to the think better. Government to carry on the war, and went as a nurse herself to the hospital

ONE of the difficulties in the way of making practical the Czar's proposition for a general disarmament, is shown in President McKinley's message, where he President McKinley's message, where he heartily endorses the Czar's proposition, influence and sovereignty of Spain in the Philippines. There is nothing in the our army. Who is to deside what military establishment is a necessity to ment of their own and helping them to deside an analysis of the with clean batting that remainder the size of the best 12%c silkaline filled with clean batting that remainder the with clean batting that remainder the composition, influence and sovereignty of Spain in the Philippines. There is nothing in the treaty and that will end the size of the philippines. There is nothing in the treaty that would prevent giving the best 12%c silkaline filled with clean batting that remainder the composition, influence and sovereignty of Spain in the Philippines. There is nothing in the treaty that would prevent giving the best 12%c silkaline filled with clean batting that remainder the composition, influence and sovereignty of Spain in the Philippines. There is nothing in the treaty that would prevent giving the best 12%c silkaline filled with clean batting the composition.

W U. S. Judge in Porto Rico. Whether this is a revelation or only a suggestion remains to be seen. It is in line with Hanna's tactics, to pay for necessities, shell his enemies, and shelve his super numerary friends.

The Cleveland Leader opposes an investigation of the war, by Congress. Why? The investigation will be by a Republican committee, and it will not be unfair to the Administration. If there has been anything corrupt or wrong, it ought to be brought to the light. If there has been nothing corrupt or wrong, it ought to be made known, for there is much that is wrong and corrupt that has been charged. Let there be light.

In the studient we wis dom of letting the currency alone, will we think, be made apparent to all. The President has been overpersuaded by Mr. Gage, the Secretary of the Treasury. The people want the greenbacks, and would rather have them National bank notes or gold—especially if the bank notes only have the banks back of them. The National bank notes are now redeemable in greenbacks. If the greenbacks are now redeemable in greenbacks are the contracts for steel rails exceed those of any single week in many years.

Satisfy your needs from our fine stock, which was bought to save you money, especially the bargains piled upon bargains in boats, etreet care, eteam engines, toy carpet sweepers, elater, building blocks, tea sets and stores, at China Hall, Bellefontaine, Ohio.

Take you girl some of the fine candy sold at the Candy Kitchen, if you want have the beauty shat the contracts for steel rails exceed those of any single week in many years.

Satisfy your needs from our fine stock, which was bought to save you money, especially if the bank notes only have the banks back of them. The National Bank notes must be redeemable in gold. This will present a new and perplexing and doubtful issue. It will be venturing on danger our green and the property of the Treasury. The people want the greenbacks, and would rather the contracts of the people want the greenbacks, and would rather the contracts of the people want the greenbacks, and would rather the contracts of the people want the greenbacks, and would rather the stores of the people want the greenbacks are now people want the greenbacks are now people wan

Tue President in his message urges the necessity of building the Nicarauguan canal, and says he will maintain military rule in Cuba, Porto Rico and the Philippines until a stable government shall be established in those islands. For Cuba, he advocates a government that will secure to her people the independence, thus realizing for the independence, thus realizing for the independence, thus realizing for the maintain military rule in Cuba, Porto Richets will be on sale Dec. 23 24, 30 and 31. good returning until January 3rd, 1899.

Monnett Wins.

The Cleveland Leader is nothing, ntaine what you want we have it at the series what you want we have it at the U.P. church last Saobath a a "thud."

Rev. Atchinson, of Scio, O., press in the U.P. church last Saobath a a m. Gooking horses, velocipedes, wagons, carts, steighs and wheelbarrows. We have taken great care to look out for the fellows, and wheelbarrows. We have taken great care to look out for the fellows, and wheelbarrows and the fellows, and they turn upon him all their minions, lackeys and sub sidised newspapers, and do all they can to defeat his political aspirations and his professional success, and the people whose interests he represents, and the people should give him their entire and tubstantial encouragement and support. Trequires nerve and principle for the did to make and the should. not an organ of bossism and corporat trusts. Since Attorney General Mon

newspapers who should represent the people, should give him their entire and substantial encouragement and support. It requires nerve and principle for a public officer to make such a warfare, and he should be made to feel that he has the people at his back.

We are glad, therefore, that Mr. Monnett has made another point against the great Trust, in our Supreme Court. On his motion, Tuesday, the Supreme Court issued an order for the Standard to produce its books for the inspection of the Attorney General, and if the Company refuses it will place itself in contempt of the highest court in our State, and its officers may be arraigned and properly punished for such contempt.

It is a tremendous fight Mr. Monnett is making—against the millions of this great monopoly; but if the people rule, he should "win out," without a doubt.

Notice to Senator Hanna.

Vashington Cor. Cin. Tribune. Chairman Dingley, of the Ways and Means Committee, said: "It is to be noted that the Presidents states that our revenue laws are working well, with no suggestion of any needed modification."

In ree pieces of 27-inch black Duchesse Satin, excellent values, heavy in weight, at \$1, \$1.25 and \$1.37%.

THE Precident suggests no need of any the Turkish cavalry will be increased to 25,000. This will not make the Czar send a love letter to the Kaiser.

Ex-President Cleveland is against all sextension and expansion; except of his own corporosity.

American capitalists are investing in ferrices, and hotel sites in Hayana, and in mineral springs in other parts of the island for health resorts. Cubs will be the winter resort for the United Wra

GEN. MILES has drafted a bill to increase the regular army to 100,000 men—infantry regiments to consist of 1200 men, 12 companies and three battalions. The bill will probably pass. The President favors it, and it seems to be the right thing to do.

Gov. Bushnell pardoned fifteen penimitary convicts, Tuesday. The liberal soul bans marched through the streets of tective with loaded guns, and fired a salute at the cathedral. The commander of the U. S. forces had to stop this, and the U. S. forces had to stop this, and the U. S. forces had to stop this, and the U. S. forces had to stop this, and give you extra value for Thursday.

The Cubans celebrated the annivergacy goods are all extra large shurch, Christmas eve.

MITTENS.

Misses Lu'u Weeps and Tina Stahler spent last Weinesday in DeGraff.

H. D. Young W. E. Stewart, A. F. McConnell and W. L. Black, spent last the cathedral. The commander of the U. S. forces had to stop this, and yesterday. Just in time to give you extra value for Thursday.
